## Finishing Assembly:

**STEP 1:** Stuff Head with polyester fiberfill.

**STEP 2:** Wrap waxed paper around cone. No need to be neat about it. Just make sure to shape it the way you want it for the skirt.

**STEP 3:** Dip the whole angel into the fabric stiffener and place over the cone. Shape it as you want it as it dries. Do the same with the halo but set it aside. Allow both pieces to dry completely then glue the halo in place on the head.
