

# Teen's CD Player Holder

Designed by Julie A. Bolduc

My daughter recently bought a CD player for herself and she asked me if I could make her a holder for the CD player. So this is what I came up with. It is sturdy because it has old CD's inside to keep it's shape and the strap goes all the way around it.

## Materials Needed

Worsted weight acrylic yarn in lavender  
Worsted weight acrylic yarn in Amethyst.  
Worsted weight acrylic yarn in light yellow.  
2 old CD's  
Size H/8 or 5mm aluminum crochet hook  
Yarn needle for weaving in ends

**Yarn Thickness:** 4mm

**Gauge:** 4dc = 1"

**Finished Size:** 6½" wide, strap is 1½ wide, CD part is 2" thick, overall length is 35"

**Skill Level:** Intermediate
