

# Bottoms Up Rippled Cosmetic Bag

Designed by Julie A. Bolduc

This bag is very similar to the Rippled Cosmetic Bag I designed several years ago. I have improved on that pattern and started at the bottom and worked my up instead of stitching the bottom closed after it was done. It is fairly easy to make and can be completed in an evening or two.

## Drawstrings:

Make 2 chains 60 chains long with red. Weave through the stitches that have 3 sc in each and through the space where the 2 sc were skipped on round 24. Weave them in opposite directions to form the drawstring. Tie ends together close to the end of the chains. Trim the ends so you have about 1/4" tails.
