Tassel:

Cut an 8" length of thread. Set aside for now. Wrap remaining thread around business card, around the short side, 40 times. Cut thread. Slip 8" length under threads near top of fold of threads and tie into the tightest knot

you can. Slip tassel off of card. Tie remaining thread around tassel near the top where the 8" thread is to form a "head". Wrap the thread around in a coil fashion several times. Then insert your hook up through the center of the "coil" and pull the thread down through to secure it in place. Trim. Cut ends of tassel and trim so they are even.

Tie tassel to end of bookmark in ch5 lp of last row. Weave ends into back of work.
