This bookmark is fairly easy to make for people who have had some experience in crocheting with thread. But you do not need to be an expert to figure this one out. It starts out as a circle then you work in rows to make it long, then you work around the whole piece to finish it off. You could make several in a couple of evenings. This one took me about 2 hours to complete.

Materials Needed

Small amount size 10 crochet cotton. Southmaid in red was used in the example
Size 7 steel crochet hook
tapestry needle

Thread Thickness: 10thread

Gauge: 10sc=1"

Finished Size: 8"x2½"

Skill Level: Beginner to intermediate

Instructions

Starting Round: Ch6, join w/slst to first ch to form ring. Ch1. 17 sc in ring. Join w/slst ch1.

You will now work in rows.

ROW 1: Ch5. Dc in same st as slst. Ch2. Sk next sc. Dc, ch2, dc in next sc. Ch2. Dc, ch2, dc in next sc. Ch5, turn.

You should now be at the other side. Sc in first ch3 sp of right hand
