**Buyer's Guide** The yarns I used in the example are as follows.

- Red Heart Classic Color: Cherry Red #0912
- Red Heart Classic, Color: Shaded Greens #0957
- Red Heart Stripes, Color: Fruity Stripe #4962
- Red Heart Classic, Color: Mid Brown #0339

All of the yarn I used are scraps without labels but since I generally use Red Heart for almost all of my acrylic yarn patterns, I went to Herrschners.com to match up the colors I used with what they have listed on their site. The colors listed above are pretty accurate with what I actually used. The mid brown color is the closest color brown I could find to match the scrap I actually used.
