

# Bobble Pot Scrubber

Designed by Julie A. Bolduc

This pot scrubber is a little different from the others you have seen. It is done in rows instead of rounds. It should provide for many months of scrubbing. To keep this scrubber clean, just throw into your normal wash but do not put it into your dryer. Instead, let it sit on top of your dryer while it is running to dry it.

## Materials Needed:

Small amount red Needloft Nylon-Plastic Canvas Yarn  
Size G or 4mm aluminum crochet Hook  
Yarn Needle

**Gauge:** 3bobbles=2"

**Yarn Thickness**4mm
