Spiral Web Doily

Designed by Julie A. Bolduc

This doily was named by my daughter Joanna. She really liked the spiral effect in the center of the doily. It is a fairly quick doily to make but you really need to pay close attention to the subtle changes in the instructions from one row to the next. I had to frog this one about 4 times from around round 18 or so in order to make it lay flat.
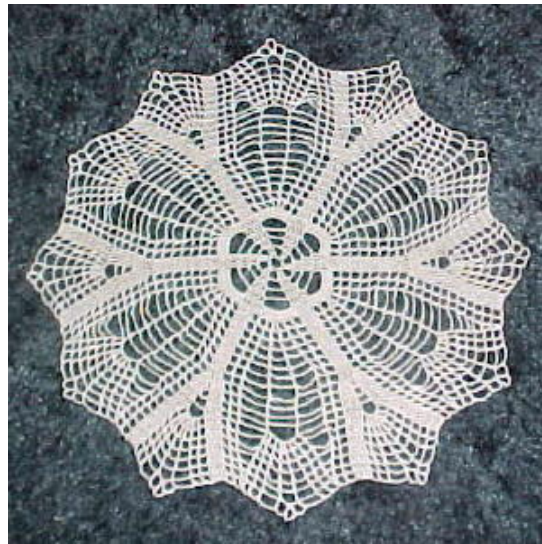

Materials Needed
Size 20 Crochet Cotton in white. DMC Cebelia was used in the example
Size 9 steel crochet hook
