Fasten off. Weave all ends into back of work.

Finishing Assembly: Stiffen each piece separately with fabric stiffener and allow to dry overnight. Glue each piece together using hot glue so that the edges are just touching at the tops and the bottoms are overlapping. See picture for arrangement of colors. Glue flowers on first, just the flowers, not the stems. Tie the 18" piece of ribbon in a bow and glue onto the bottom over the flowers. Glue magnets onto the back.
