

Peek-A-Boo Square

Designed by Julie A. Bolduc

This square has a little peek hole in the center of it and also the white yarn on the last round peeks through the red yarn. So I could not think of a better name. Imagine this square done in green white and red or 2 shades of blue with white for the December holidays.

Materials Needed

Small amounts acrylic worsted weight yarn in red(c1) white(c2) and black(c3). Red Heart was used in the example.
