

# Little Washer Earrings

Designed by Julie A. Bolduc

These earrings are made with tiny metal washers and would look wonderful with any outfit whether it is casual or formal. They would also make the perfect last minute gift for any lady on your list. They make up really fast and you can make them any color. I love these myself.

## Materials Needed:

Small amount white Cebelia Size 20 Crochet cotton.

Size 11 Steel crochet hook.

1 pr gold fish hook ear wires

2 small washers 1/2" diameter on the outside and 1/4" on the inside.

The washers are also 1mm thick.

Thin Tapestry needle

**Yarn Thickness:** 20thread

**Gauge:** 12sc=1"

**Finished Size:** =3/4"x7/8" without the earwire.

**Skill Level:** Easy

## Instructions

### Make 2

**RND 1:** Tie thread onto washer and work 18sc in ring.

**RND 2:** Ch4, sc in next sc 5 times. Sc in each of the next 7

sts. Ch3, sc in same st as last st. Sc in each of the next 7 sts. Join w/slst to first ch of ch4 . Fasten off and weave ends into back of work.

**Assembly** Using the single lp at the top, attach to ear wire. Just pry open the lp on the earwire with small jewelry pliers and slip the ch3 lp over it. Close the lp. Repeat with other earring.
