

# Wrist Rest Cover

Designed by Julie A. Bolduc

This wrist rest cover is a result of a need. A need to cover my old ugly wrist rest I have had since I got my computer. This is a basic pattern and could be improved upon I am sure. This particular pattern would look wonderful if made with a variegated yarn.

## Materials Needed:

2 oz Dawn Sayelle Worsted Weight Yarn. Country Blue was used in the example

Size G Wooden Brittany hook was used but Size H aluminum would work also.
