

10 Mini Snowflakes

Designed by Julie A. Bolduc

These mini snowflakes were first designed in 1992. They would look cute as package toppers or on a

mini Christmas Tree.

Materials Needed

Small amount of White size 10 Crochet Cotton.

Southmaid was used for the example.

Size 7 Steel Crochet Hook

Fabric Stiffener

A large flat piece of Styrofoam.

Note: Make all snowflakes and weave all ends in first then stiffen them.

Stiffening

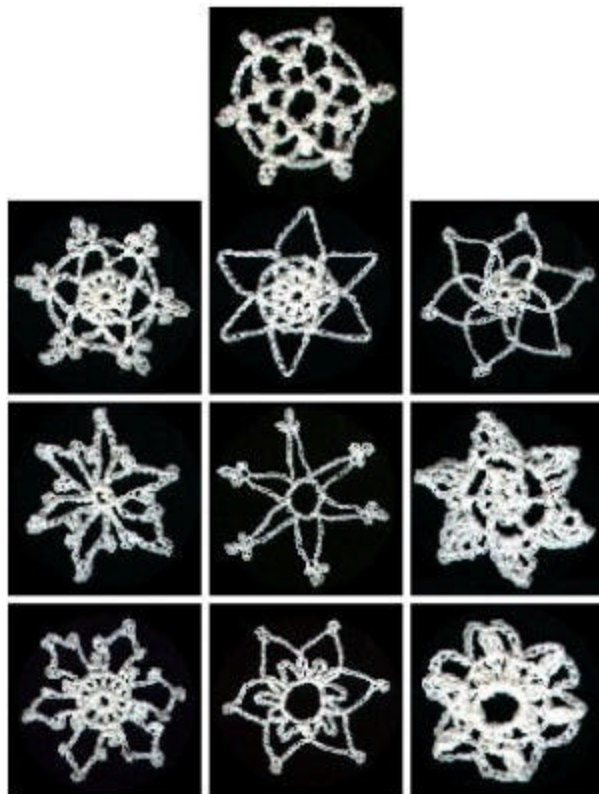

Cover the Styrofoam board with the plastic wrap.

Dip all of the snowflakes into the fabric stiffener and lay them onto the board.

Pin them into place while shaping them into the desired shape.

Allow to dry overnight.

After they are dry, attach hangers to one of the points on each one.
