

# JPFun Pot Holder

Designed by Julie A. Bolduc

This potholder is just a simple pattern that can easily be made in a couple or 3 hours. It is meant to be a basic pattern that actually can be used. I recommend lining it between the layers with wool felt for added protection.

## Materials Needed:

Small amount contrasting color. (cc)

Size US-H/8 or 5mm aluminum crochet hook

Yarn Needle

**Gauge:** 4dc=1"
