

Christmas Refillable Sachet Ornament

Designed by Julie A. Bolduc

I made this sachet refillable because potpourri does tend to lose its scent over time. It is really small and fast to make. I used real Balsam Fir cuttings to fill this sachet but if you do not have access to a Fir tree, you can use any potpourri which is made for Christmas. You do not need much filling. Just 1 tablespoon. Plus this will make a wonderful bazaar item.

Materials Needed:

Small amount Southmaid size 10 crochet cotton any desired color. Christmas red was used in the example.
Size 7 steel crochet hook.
14" red picot edged red ribbon 1/4" wide.
1 tbsp potpourri
Ornament hanger of choice.

Yarn Thickness: 10thread

Gauge: 10sc=1"

Finished Size: =1 1/2"x2 1/2"

Skill Level: Easy
