Assembly

Step 1: Cut 2 circles, 4½" in diameter, out of the bridal netting.

Step 2: With crochet thread and a needle, stitch the 2 circles together, with a running stitch, leaving a ½" seam allowance but before stitching closed, stuff with potpourri. Set aside.

Step 3: Place the 2 crocheted pieces together wrong sides facing each other and weave the ¼" wide ribbon through round 7, through both layers but before going all the way around, stuff the stuffed netting circles into the crochet circles, then continue weaving to close. Tie ends together into a bow.

You can embellish more with buttons or beads if you wish.
