

Bordered Stripes Block

Using the Quilt as You Piece Method
Designed by Julie A. Bolduc

This is the 5th quilt block tutorial in a series on how to make quilt blocks using the Quilt as You Piece Method. This tutorial is not about making a quilt, it is about making the "Quilt as You Piece" block that you can add to the type of quilt where the blocks are joined after they are made, quilted then joined to other blocks. Like a Quilt as You Go Quilt. The size of the block I am making for this tutorial is a 10" x 10" block. The measurements for the cut size can be rounded up to the next 1/8" to allow for variances while you work.

Materials Needed

For each block, you will need: Add up to an inch of length for each piece of batting and fabric to allow for shifting and trimming up as you go.

- * 4 Pieces Fabric, 2.5" x 6.5" 2 each of 2 prints. Piece B
- * 6 Pieces Fabric, 2.5" x 6.5" 3 each of 2 prints. Piece B
- * 4 Pieces Fabric, 2.5" x 10.5" 2 each of 2 prints. Piece A
- * 1 Piece Cotton Batting, 2.5" x 6.5" Piece B
- * 4 Piece Cotton Batting, 2.25" x 6.5" Piece B
- * 2 Pieces Cotton Batting, 2.25" x 10.5" Piece A
- * Cotton Sewing thread in neutral color, 50wt preferred.
- * Washable Liquid Glue
- * Washable Glue Stick

Tools Needed

These are the tools I used. Use what you have.

- * Rotary Cutter & Cutting Mat
- * Pair of Fabric Scissors
- * Temporary Marking Device
- * 18"x3" quilt ruler
- * 10.5"x10.5" Square Ruler
- * Dry Iron & Pressing Board

This pattern sheet just provides what materials you need and what size pieces you need to make a 10" block and in what order to sew the pieces of the block together. It does not go into detail how I put them together in the Quilt as You

Piece manner, please refer to our tutorial of the Five Strip Rail Fence Block for the basic concept and instructions on how to do Quilt as You Piece for this block and all other blocks in this series.

Ignore the colors of the block on this page and the order they are in. Just use what you want, in the order you want. The block on this page is only a guide for how it is put together.
