

Twelve Triangles Block

Using the Quilt as You Piece Method

Designed by Julie A. Bolduc

This is the 8th quilt block tutorial in a series on how to make quilt blocks using the Quilt as You Piece Method. This tutorial is not about making a quilt, it is about making the "Quilt as You Piece" block that you can add to the type of quilt where the blocks are joined after they are made, quilted then joined to other blocks. Like a Quilt as You Go Quilt. The size of the block I am making for this tutorial is a 10" x 10" block. The measurements for the cut size can be rounded up to the next 1/8" to allow for variances while you work.

Materials Needed

For each block, you will need: In the list below, I have made the pieces bigger in order to make it easier to be accurate at trimming, after each section is added.

4 Pieces Fabric, 6.5"x6.5" 2 each of 2 prints .Piece A
2 Pieces Fabric, 6.5" x 6.5" 1 each of 2 prints. Piece B
4 Pieces Fabric, 4" x 4" 2 each of 2 prints. Piece C
2 Pieces Fabric, 4.5" x 4.5" 1 each of 2 prints. Piece D
2 Pieces Cotton Batting, 6.5" x 6.5" Piece A
1 Pieces Cotton Batting, 6.5" x 6.5" Piece B
2 Pieces Cotton Batting, 4" x 4" Piece C
2 Piece Cotton Batting, 4.5" x 4.5" Piece D
Cotton Sewing thread in neutral color, 50wt preferred.
Washable Liquid Glue
Washable Glue Stick

Basic Instructions

This pattern sheet just provides what materials you need and what size pieces you need to make a 10" block and in what order to sew the pieces of the block together. It does not go into detail how I put them together in the Quilt as You Piece manner, please refer to our tutorial of the Five Strip Rail Fence Block for the basic concept and

instructions on how to do Quilt as You Piece for this block and all other blocks in this series.

What you do for the center block is, make a sandwich with your 4.5" x 4.5" squares (Piece D), quilt it the way you want it, then trim it down to 4"x4".

Tools Needed

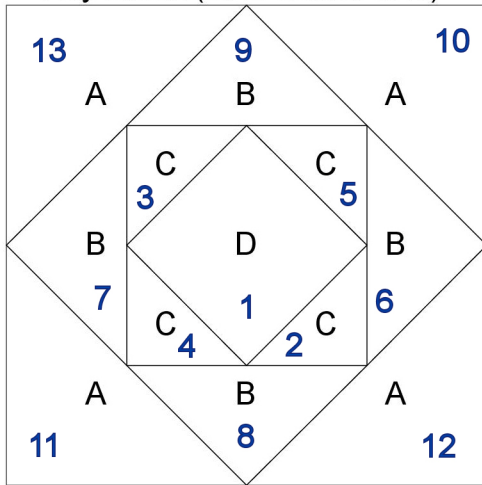

These are the tools I used. Use what you have.

Rotary Cutter & Cutting Mat
Pair of Fabric Scissors
Temporary Marking Device
18"x3" quilt ruler
10.5"x10.5" Square Ruler
Dry Iron & Pressing Board

After the center square is done, follow the numbering Chart and the layering methods explained in the Five Strip Rail Fence Block to put this block together. You can also see how this block is put together by watching our Video,

Twelve Triangles

Key Block (5/20 actual size)

Numbers are for order of assembly.
Letters are for patch identification.
